

**Praise to Mother Earth!**

**All hail Mother Earth!**

**Blue and white jewel of the heavens.**

**You who whirl through space, spin on your axis,  
dance with the Sun and Moon.**

**All hail Mother Earth!**

**Water bearer of our solar system.**

**You whose waters ebb and flow, run and pool,  
balance all life.**

**All hail Mother Earth!**

**Birther of all who exist upon you.**

**You who sustains us as we sustain one another,  
we ask your forgiveness.**

**All hail Mother Earth!**

**We praise your beauty and power!**

**We praise your giving spirit and ancient wisdom!**

**We honor your life as our life, now.**
