

## Moonlit Path

Tonight, you draw us closer to you.  
The Earth and all upon it lifted  
by your pull, brought closer  
to your light.

Tonight, we bathe in your presence.  
Our bodies fluid under your sway,  
we dance and know,  
and learn to be.

Tonight, we go within, dream deep.  
Emotions rise, tides rise, we seek  
to know, to have visions  
and to let go.

Tonight, we honor your power.  
Whether wakeful visions  
or restful dreams  
the path is illumined.
